

Tobias Schuerholz

Tobias Schuerholz was born in 1968. He studied human medicine and then specialised in Intensive Care Medicine and Anaesthesiology at the Medical University of Hannover, Germany. Having obtained the postdoctoral lecture qualification in 2008 at the Friedrich Schiller University of Jena, he then worked at the University Clinic of Aachen. In 2016, he was appointed to a professorship for Anaesthesiology with focus on Perioperative Intensive Therapy at the University Clinic of Rostock, Germany. Since march 2021, he is focussing his work in Intensive Care Medicine at the University Clinic of Aachen again.
